

City of Newberg ARPA Funds Project Application

Executive Summary

In March 2021, the 117th US Congress approved the American Rescue Plan Act (ARPA), resulting in an allocation to the City of Newberg of approximately \$5.3 Million to support local fiscal stability and economic recovery. The City of Newberg (the City) is accepting project proposals to be reviewed by the Budget Committee for funding approval.

All approved projects must follow ARPA contract rules, including project completion by December 31, 2024, with any incurred financial obligations resolved by December 31, 2026. Any funds unused by this date must be returned to the City of Newberg.

Projects approved through private partners or “passthrough” recipients (such as other agencies) are required to carry the same monitoring and reporting steps that the City meets internally and will be asked to enter a formal accountability and reporting agreement with the City, at levels compliant with the City’s yearly federal audit.

The Budget Committee is composed of all City Councilors, including the Mayor, and additionally appointed private citizens, and will hold a series of public meetings beginning in December 2021 and ending by April 30, 2022, to review applications and award funds for qualified projects using a digital dot matrix voting process

Project applications will be placed on Budget Committee Meeting agendas in the order in which they are received by City Manager Pro-Tem Will Worthey at Will.Worthey@NewbergOregon.gov, for a maximum of twelve (12) projects reviewed with maximum approval of eight (8) projects at each meeting until all available ARPA funds are allocated. Project sponsors are encouraged to attend the hybrid meetings to present their projects and answer committee questions for up to five (5) minutes per application. Unapproved project applications may be resubmitted for consideration at later ARPA Budget Committee meetings. For fairness and transparency, project voting outcomes will be retained in compliance with Oregon public meeting law.

ARPA Submission Format

Project

Enter the project's name.

Justification

List your justifications here and address the following points where relevant. Try to explain what the issue is. Naturally it must be related to attempts to “respond to the economic and public health impacts of COVID19.”

- How it addresses one of these issues specifically.
- Why it needs to be done.
- What is included in the cost?
- An estimate (if known) of how long it might take to implement.

Project Sustainability

List your explanations here around these issues.

- How will the project bring long lasting economic recovery benefits to Newberg?
- Are local or minority vendors involved?
- Please describe its sustainability if applicable.

ARPA Expenditure Categories (EC)

Code the correct EC from the ARPA list, as part of the compliance and reporting guidelines. The EC table is found in this document as Appendix A (Federal ARPA EC Coding Categories 1-4).

Appendix A – Federal ARPA EC Coding

1: Public Health	
1.1	COVID-19 Vaccination ^
1.2	COVID-19 Testing ^
1.3	COVID-19 Contact Tracing
1.4	Prevention in Congregate Settings (Nursing Homes, Prisons/Jails, Dense Work Sites, Schools, etc.)*
1.5	Personal Protective Equipment
1.6	Medical Expenses (including Alternative Care Facilities)
1.7	Capital Investments or Physical Plant Changes to Public Facilities that respond to the COVID-19 public health emergency
